

# Totem

**Area of Usage  
POLYCLINIC**

# T-385

One of the best ways to deliver digital information is to use Indoor Totems, available in various formats and can be operated for advertising, promotion, and information campaigns. With their stylish designs that are custom-made for each institution, they allow you to gain your customers' attention and increase interactions with them. The CUREVISION Indoor Totem has been designed to offer interactive digital solutions for advertising, promotion, information and communication elegantly and cost-effectively.
